RE: Atlantic Energy, LLC - ESCO Code ATEN

Dear Mr. Linden:

Thank you for submitting your Retail Access Application Package to become an Energy Services Company (ESCO) serving residential and nonresidential natural gas and electric customers in New York State. This letter is to inform you that documentation submitted in your application package, including sales agreements for the ESCO Referral Programs, have been reviewed by Staff and established to be in compliance with the New York State Public Service Commission's ESCO eligibility requirements that are implemented by codes and regulations found in the Uniform Business Practices, the Home Energy Fair Practices and other applicable regulations.

I am also pleased to notify you that Atlantic Energy, LLC has successfully met the Commission's EDI Phase I certification requirements for Core, Utility Rate and Bill Ready Transactions effective November 10, 2011. All requirements therefore, for this initial stage of your eligibility determination have been satisfied.

Please be advised that you may now continue with the utility approval stage of the eligibility process by contacting those companies in whose service territories you intend to participate. The utility stage normally consists of a creditworthiness determination, completion of Phase III EDI testing and the execution of any operating or billing service agreements. Please note that each utility's eligibility requirements pertain to only their retail access programs.

Once you have satisfactorily completed the utility eligibility stage, Staff will be notified by the utility of your success. It would be helpful if Atlantic Energy, LLC notified Staff of the actual production date in the utility service territories you intend to enroll

Michael A. Gruin Stevens & Lee 17 North Second Street, 16th Floor Harrisburg, PA 17101

Dear Mr. Gruin:

On November 10, 2015, Atlantic Energy MD, LLC ("Company") filed an Application for a License to Supply Electricity or Electric Generation Services in Maryland under COMAR 20.51. The Company proposes to provide electricity supplier services in Maryland for residential, commercial and industrial customers as described in the application. Additional information was filed on February 25, 2016 and February 29, 2016.

After considering this matter at the March 23, 2016 Administrative Meeting, the Commission granted the Company a license to supply electricity or electric generation services in Maryland (License Reference Number IR-3605). The license granted by the Commission under this Letter Order is limited solely to electricity supplier services for the customer classes and service territories applied for and recommended by Staff. Additionally, the Company is directed to provide marketing and training materials specific to its Maryland operations to the Commission Staff and Office of People's Counsel 30 days prior to commencing electricity supplier operations in Maryland.

Finally, the Company is reminded that it is under a continuing obligation to notify the Commission within 30 days of any changes to the information upon which the Commission relied in granting this license. A copy of the supplemental or updated information is required to be filed concurrently with the Office of People's Counsel.

By Direction of the Commission,
